This gift, along with \$10,000 from estate of Deacon Paul Bissig, a \$10,000 anonymous donation, and remaining \$215,000 from sale of St. Cecilia, will allow our parish to continue making needed updates to church facilities.
3. Maintenance update –
  - New energy efficient windows in Lehmann Hall and offices/classrooms on second floor will be installed before December (\$20,000 quote). Will then purchase regular energy efficient AC units for second floor areas.
