3. Father Chuck discussed his appointment as Pastor, and Fr. Deo's appointment as Associate Pastor, of the parishes of Christ the King, Immaculate Heart of Mary, St. Martin de Porres, and St. Augustine effective June 30, 2018. They will be leaving St. Peter the Apostle, but will retain Good Shepherd for a total of five west end parishes. Fr. Tom Gentile will assist with weekend masses when available.
4. Maintenance update -
 - Church sound system is much improved. Job completed.
 - Before working on the sewer line between church and rectory, the smaller project of eliminating groundwater in rectory basement must be completed. Resubmitting papers to MSD to subsidize this work. May install pump for outside drainage rather than going through sewer system.
 - In process of negotiating pricing package for installation of ventless air conditioners in office areas of Lehmann Hall. HVAC work in all three buildings – hall, church, and rectory- will be a little over \$100,000.
